

accessory 3VJ9 IEC framesize 3VJ11 125A auxiliary - and alarm switch 2 x changeover contacts right

| Model  |                                   |
|--|-----------------------------------|
| product designation  | auxiliary switch and alarm switch |
| design of the product  | accessory for 3VJ breaker         |
| accessories  | auxiliary - and alarm switch      |
| Voltage  |                                   |
| insulation voltage   | 500 V                             |
| operating voltage / at AC / at 50 Hz / rated value / minimum | 240 V                             |
| operating voltage / at DC / rated value / minimum            | 48 V                              |
| Current  |                                   |
| thermal current  | 5 A                               |
| Mechanical Design  |                                   |
| net weight   | 25 g                              |
| ambient temperature / during operation                       |                                   |
| • minimum  | -10 °C                            |
| • maximum  | 60 °C                             |
| ambient temperature / during storage                         |                                   |
| • minimum  | -15 °C                            |
| • maximum  | 75 °C                             |
| ambient temperature / during operation                       |                                   |
| • minimum  | -10 °C                            |
| • maximum  | 60 °C                             |
| Certificates   |                                   |
| Test Certificates  | other                             |
